THE HARVEIAN SOCIETY OF LONDON
Registered Charity No. 212233

REPORT OF THE COUNCIL

The Council presents its report with the accounts of the Society for the year ended 31 July 2026.

OBJECTIVES AND PRINCIPAL ACTIVITIES OF THE SOCIETY

The Society was founded on 15 September 1831 as The Western London Medical Society, and later that month was renamed The Harveian Society, in token of its resolution strictly to adhere to the course of observation and induction so successfully pursued by the illustrious discoverer of the circulation of the blood. In accordance with the Society's Laws, the principal business of the Society, and its charitable object, consists in "**the communication and discussion of facts and inferences relating to the several branches of medical science**."

The Society's educational programme consists primarily of a series of lectures on medical and related matters. During the year covered by this report, there have been eight Society Lectures delivered in Lettsom House:

- "The Independent Inquiry into Gender Identity Services: Progress" – Baroness Hilary Cass OBE FRCP FRCPCH
- "The Vaping Epidemic" – Professor Philip Ind, MA MB BChir FRCP
- "Kindness – The Business End of Healthcare" – Professor Bob Klaber FRCPCH FHEA FAcadMEd OBE
- "Money and Medical Ethics – Is There a Market in Morality?"- Dr Andrew Papanikitas BSc MA MBBS PhD
- "Walking on Water: How Your Joints Work and Why You Get Osteoarthritis" Mr Michael Beverley FRCS Orth DPhil
- "Syphilis in the 2020s – From Presentation to Prevention"-Dr Michael Rayment FRCP MA DipGUM DipHIV MJCSM
- "Recent Advances in Alzheimer's Disease and Dementia" Professor Lefkos Middleton MD FRCP
- "Generalism Under Pressure: Primary Care, Complexity and The Limits of Transactional Healthcare" - Professor Victoria Tzortziou Brown OBE FRCGP MFSEM SFFMLM FHEA

The annual pilgrimage to Folkestone for Harvey Memorial Sunday in June 2026 was well attended and the President joined the Mayor of Folkestone and other dignitaries at the service. The Annual Dinner has not yet been held as Council have decided to move the date to October in future. The Dinner will be held in Gray's Inn. The Guest of Honour will be Professor Baroness Clare Gerada.

CHARITABLE DONATION AND AWARDS

The Society continued with its annual charitable work and awarded the Harvey Memorial Prize to the Harvey Grammar School in Folkestone, The Folkestone School for Girls and to the Kings School. The Evan Stone QC Memorial Prize was awarded to a pupil at Berkhamsted School intending to study medicine. The Society also awarded the Lister Boyd Bursaries this year to students undertaking medical electives abroad.

THE COUNCIL STRUCTURE, GOVERNANCE AND MANAGEMENT

The Society is governed by Laws adopted in 1831 and last amended and approved at the AGM in November 2022. An elected Council, which includes the Trustees of the Charity, is responsible for the governance of the Society. The Society consists of a President, elected for one year; a President-Elect, elected for one year; between two Vice-Presidents (the last two Past-Presidents) who hold office ex-officio for two years; an Honorary Treasurer, elected every five years; two Honorary Secretaries, elected annually each of whom serve no more than two years; an Honorary Archivist, elected or re-elected every five years; up to twelve Councillors, elected annually for up to three years and two permanent members of Council, known as Trustees who act as Council nominees. With the exception of these last two who are elected by the Council, all other elections are by the membership. Council meets three times a year at which meetings the Society's financial performance is formally reviewed and decisions made and ratified. Council are informed of the financial situation remotely on a monthly basis. Since 1951 the Society has been administered by the staff of the Medical Society of London, on whose premises the Society's meetings are held. Council has delegated the exercising of the powers of the day-to-day management of the charity's affairs to the Executive Secretary (CEO) Commander Mike Flynn FCMI MCIPD, who is Registrar of the Medical Society of London, his deputy and a bookkeeper.

Professor Philip Ind took office as President in January 2025 and Dr David Mummery was elected President-Elect for the 2025 Session. Dr David Mummery became President in January 2026 and Dr Nicholas Barrett is the current President-Elect for the 2027 Session.

REPORT OF THE COUNCIL (continued)

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

Following the transfer of the management of the Society's investment portfolio to Barclays Wealth, the portfolios of the General Fund and the three restricted funds were merged and the portfolio reconstituted with a higher proportion of funds held in Investment Trust. The funds are now a part of the Barclays Charity Fund to better protect them. The value allocated to the three as a percentage of the whole investment value is as follows.

General	61%
Joseph Lister Boyd	27%
Buckston Browne	12%

1. Unrestricted Funds

a) The General Fund

The net assets of the General Fund are unrestricted by donors and totalled £33,196 and the value of the Society's property is £45,140 in pictures, books and regalia. The Statement of Financial Activities (SOFA) set out on page 7 (2024/25 page 8 for comparison) is designed to reflect all incoming resources receivable in the year irrespective of when income is spent. Gross income for the year was £22,885 (2025 - £11,205) a decrease from on the previous year due to reduced income from events and a reduction in dividend. Subscriptions decreased by 14% this year and, whilst Gift Aid is claimed, an increase in members remains the Council's aim. Charitable expenditure for this year was £31,900 for the year (2025 - £22,510). Total incoming resources this year were £22,885 and this resulted in a net loss of £7,577 (2025 a loss of £9,026). Lister Boyd bursaries to medical students were paid in 2025/6. Council continues to monitor the overall financial position monthly. The investment portfolio remains within the Barclays Charity Fund to better protect the funds, and it has been another volatile year. The Society required a £16,000 drawdown from the investments during the year (2025 - £14,000) plus an additional £2,000 was drawn down for the Lister Boyd bursaries. This draw down was necessary to deal with the initial lack of income and was taken prudently noting the market fluctuations and comprised the usual annual requirement for additional income. The net reduction in investments was £10,201 for the year. The overall value of investments has fluctuated markedly over the year and at year end the investments stood at £60,282 (2025 - £70,483) . After taking into account realised and unrealised gains on investments which have been healthy, the net movement in funds resulted in a deficit of £7,577 (2025 a deficit of £9,026).

2. Restricted Funds

a) Joseph Lister Boyd Fund

This fund was established in 1982 by Dr Joseph Lister Boyd and is used to provide funds to help medical students finance overseas electives during their training. Candidates are usually recommended by the London teaching hospitals and the annual interest earned by the fund is used to provide two bursaries, each of £1000, to students selected by Council. These were awarded in 2025/26. The net assets of the fund stand at £57,896.

b) Buckston Browne - Gray Hill Fund

Sir George Buckston Browne, FRCS, endowed the Buckston Browne Prize in 1924 in memory of his son, Colonel George Buckston Browne, DSO, RFA, who died in 1919. This prize is awarded triennially to a candidate with no more than 15 years since registration/qualification "whose contribution to medical science is judged to be most meritorious." In 1948 the fund was renamed, the Buckston Browne- Gray Hill Fund, in recognition of a bequest from Lt Colonel Sir Norman Gray Hill, Bart, MC, who was killed on active service in 1944. The fund also supports the annual commemorative celebration of the Society. The net assets of the fund stand at £22,502.

REPORT OF THE COUNCIL (continued)

STATEMENT OF COUNCIL'S RESPONSIBILITIES

The purpose of this statement is to distinguish the Council's responsibilities for the accounts from those of the Independent Examiner as stated in his report.

Charity Law requires Trustees to keep proper books of account with respect to the affairs of a charity, and to prepare statements of account for each accounting period consisting of an income and expenditure account and a balance sheet.

The members of Council and the Trustees of the Society are also responsible for safeguarding the charity's assets, and hence for taking reasonable steps for the prevention and detection of error, fraud and other irregularities.

In preparing the accounts Council is expected to:

- select suitable accounting policies:
- make judgements and estimates that are reasonable and prudent:
- follow the recommendations of the Charity Commission and of the accounting profession with regard to form and content of the accounts, or to disclose and explain any departures therefrom: and
- prepare the accounts on the going concern basis unless it is inappropriate to assume that the Society will be able to continue to meet its objective.

Notes to the Financial Statements
For the Year Ended 31 July 2026

1. **ACCOUNTING POLICIES**

Accounting
The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments.

Income
Subscriptions are brought into the financial statements on receipt.
Dividends and interest, and the tax recoverable thereon, are brought into the financial statements when they are due.

Expenditure
Expenditure is inclusive of Value Added Tax

Special Funds and Bequests
Bequests and gifts are brought into the financial statements when received

Picture, Regalia etc
The Society regalia, books and pictures were professionally valued for insurance purposes in 2011. The figure of £45,140 represents 40% of the full insurance value, being the assessed realisable value at auction. They will be held at this value until the next routine revaluation for insurance purposes.

Stocks
The Stocks have been valued at cost

Market value at 31 July 2026	60,282	70,483

Independent Examiner's Report to the trustees of The Harveian Society of London

I report to the trustees on my examination of the financial statements of The Harveian Society of London for the year ended 31 July 2026.

Responsibilities and basis of report

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination. I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable directions given by the Charity commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008.
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination: or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report to enable a proper understanding of the financial statements to be reached.
